## Community Membership Drive Continues

The Sam Rodius Memorial Park Association (SRMPA) welcomes all returning and new members for the January 1, 2017 through December 31, 2017 membership year. This organization began nearly 100 years ago as a farmers cooperative. Today it is a non-profit organization that maintains the Meadowbrook Community Hall in Cougar Gulch. Anyone is welcome to be a member, regardless of where you live and everyone is invited to participate in all of our planned community events.

Membership dues keep the lights on and heats the Hall. Members receive the Cougar KITTEN Newsletter and can advertise on the community website for free. Members can also rent the Hall for person-

al use at a discounted rate of \$75.00 per day.

To keep up with increasing costs and efforts to maintain and improve the Meadowbrook Community Hall, **annual membership dues will increase to \$30.00 per household after March 31, 2017.** However, membership dues REMAIN \$25.00 between now and March 31, 2017 for any household that pays their annual dues prior to that date. Also, members who pay dues prior to March 31, 2017 will be entered into a drawing for a 50.00 gift card. Dues are tax deductible and each person who provides a valid email address on their membership form will receive a receipt and thank you for your records. Membership forms, as well as membership information, is available at our website at [CougarGulchCommunity.com](http://CougarGulchCommunity.com).
