Karen@ThurstonFamilyFarm.com or at 208-660-1359 asap.

We look forward to seeing you at the Cougar Gulch Farmer's Market!

▶ UPDATE—Cougar Gulch Highlanders 4-H Club
We Need YOUR Help to Make this Club a Success!

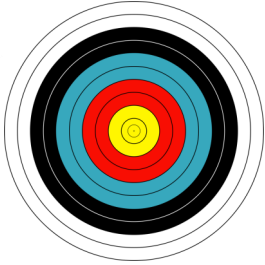

Your Cougar Gulch Board is working to reinstate the Highlanders 4-H Club in our neighborhood. To be successful, we need our youth to participate and a few parent or adult volunteers to help make it work. Do you know Archery? Interested in Livestock? Are you a Seamstress or Baker? Have an interest in Photography? This club can use your expertise. If you have passion to pass on quality skills to the young people living in the Gulch, we need you. Please call Dawn Myers at 208-667-4044 or email her at dawnmyersid@gmail.com. We will hold an Open House Forum at our Oktoberfest event at the Hall next month to showcase some ideas and help energize everyone. Additionally, your Board will host a New Family Info Night for 4-H at the fair grounds in November. Please help this worthy organization by devoting some of your time and talent to the effort. Also needed—Young people living in the Gulch to participate in this club. Don't wait—help make this club a reality again!

▶ Saturday, September 20, 2014 — 10 am—5 pm
Free Sight-In Day at Farragut State Park Shooting Range

The shooting range at Farragut State Park reopened last summer and is administered by the Idaho Department of Fish and Game (IDFG). The range is located at Farragut State Park near Athol, Idaho.

Continued on page 2

Continued from page 1.

On Saturday, September 20, a special hunter sight-in day will be held. Free rifle targets will be available and the \$5 range fee will be waived. The 100 yard and 200 yard rifle ranges and the shotgun range will be open the regular hours of 10am-5pm. Rimfire and centerfire rifles of less than .50 caliber and shoulder-fired muzzle-loaded rifles may also be sighted in. Hunters will also be able to practice shotgun skills on the shotgun range. Hand operated throwers are available, but shotgun shooters must bring their own clay targets.

Eye and ear protection are required. Shooters can bring their own or purchase earplugs and safety glasses at the range. Individuals under 18 years of age are required to be accompanied and supervised by an adult. If you are unable to attend this event, the range will be open Fridays, Saturdays and Sundays until November 1st.

To get to the range, head east on Hwy 54 from Athol toward Farragut State Park. Before you reach the park, turn left on Perimeter Rd and watch for the range sign on your right. You no longer need to enter the park to get to the range.

Hunters are encouraged to come and check out this much improved facility and get ready for fall hunting seasons. For more information about the Hunter Sight-In event, contact IDFG Wildlife Biologist Barb Moore @ 769-1414.
